

Your portal login

Hi [CONTACT NAME],

Here's your login for the **CFBA client portal** — every job you have with us, its live status, our requests and your certificates, all in one place.

Portal	cfba-client-portal-theta.vercel.app
Username	[USERNAME]
Setup code	[SETUP CODE]

First sign-in — about five minutes:

1. Open the portal and choose **First time here**
2. Enter your username and the one-time setup code above
3. Choose your own password — we never see it

Nothing changes about how you can reach us — email and phone always work, and the same people answer. The portal just means no more wondering where a job is up to.

Want a walkthrough? Ring **1300 029 074** and we'll do your first sign-in with you on the phone — takes a couple of minutes.

Regards,

The CF Building Approvals team
