

# Your portal login

Everything you need to sign in for the first time is on this page.

Hello \_\_\_\_\_ — your CF Building Approvals portal login is ready. From today, every job you have with us is on screen: live status, requests, and your certificates the moment they're issued.

## YOUR DETAILS

|                     |                                                                           |
|---------------------|---------------------------------------------------------------------------|
| Portal address      | cfba-client-portal-theta.vercel.app                                       |
| Username            | _____                                                                     |
| One-time setup code | _____                                                                     |
| Code expires        | _____ (30 days from issue — if it lapses, ring us or use Forgot password) |

## FIRST SIGN-IN — THREE STEPS, FIVE MINUTES

- 1 Open the portal**  
Scan the QR below or type the address into any browser — computer, phone or tablet.
- 2 Choose *First time* and enter your details**  
Username and setup code from the table above, then choose your own password. We never see it.
- 3 You're in**  
Your dashboard shows every job your company has with us. From now on it's just your username and password.

**One login covers your whole team** — share it with anyone in your office. If you'd rather each person had their own (with their name on messages to us), just ask.

### Scan to open the portal

Trouble signing in? Ring 1300 029 074 or email [admin@cfba.com.au](mailto:admin@cfba.com.au) and we'll sort it while you're on the phone.
